RULES AND REGULATIONS

Module Registration Period

Registration for any course must be completed **before the semester starts**. Any student who does not complete his registration within the duration prescribed will not be allowed to pursue the course concerned.

Failure to Complete Your Module Registration

A student who does not register within the prescribed period for the semester concerned will be recorded as **Not Registered**

Restriction on Module Registration

Registration for any course is strictly not allowed under the following circumstances: (a) registration which is **backdated**. (b) registration after the **examination week has commenced**. (c) registration for courses with **pre-requisite simultaneously**.
